posts. 39.039 posts in total. Talk A lot. January 6th, 2016 at 4:29 pm An underappreciated relic from our history. Most popular online since D Day. 21.926 posts in total. And yet...Despite its popularity, it was actually a fairly unadventurous project, taking a relatively primitive version of the TMNT and adding in a few CGI features. September 14th, 2016 at 9:33 pm Moved to Las Vegas last year. Still haven't had a TMNT figure or video

game in years. I actually had never heard of this movie until the "Battle of the Bioscope" thread. I guess it was really just more of a cash grab for the movie studios. October 4th, 2016 at 7:47 pm Definitely the worst TMNT movie ever made, in my opinion. And that's not hyperbole. July 21st, 2017 at 5:37 pm Some people are really hard to 82157476af
